

FINANCIAL POLICY

OUR FINANCIAL POLICY: Advanced Women's Care is very concerned about the cost of your healthcare and has spent considerable time in setting our fees. We want to assure that the charges accurately reflect the complexity of care rendered and the skill and expertise required for your case.

OUR POLICY: Our policy requires payment of co-payments and any deductibles at the time of service. If there is any balance owed after all insurance companies have made their payments, we will bill you for the remaining amount.

Our agreement is with YOU and NOT your insurance company. You have chosen your insurance coverage. Although we will assist you in submitting your claim to your carrier you are ultimately responsible for the services you receive. Payment to our office is not contingent or dependent on your insurance carrier.

A collection agency may take over delinquent accounts. If your account is placed with a collection agency, you will be responsible for all costs of collection. Timely payment will ensure your credit rating remains unaffected.

For your convenience we accept Visa and MasterCard. Returned checks will receive a \$25 overdraft charge. In addition, you may be charged a \$25 rescheduling fee for appointments cancelled less than 24 hours in advance.

If you have any questions about our financial policy or your insurance reimbursement, please feel free to discuss them with any staff member.
